# President Remarks

First and foremost, thank you for taking the time to review this sponsorship package and potentially becoming part of the Windsor Rugby Football Club family.

The Windsor Rugby Football Club is an amateur not-for-profit organization that has an unbroken history going back 60 years. Rugby is a way of life for the club and its members, so being able to inspire, develop and grow the game within the Greater Essex region is the club's mission.

Rugby is a global sport that is becoming more popular throughout Canada every year. It provides people of all ages and gender the opportunity to learn the beautiful game, improve physical health, develop social skills, build self-esteem and confidence whilst making lifelong friends. These are all attributes that Windsor Rugby embraces and promotes within.

To help our club remain sustainable and competitive, we do require the assistance of the community be it large or small. The purpose of this proposal is to provide prospective sponsors with a way to give back to our community through a sport with true passion.

2026-2027 is shaping to be a successful building period and a great opportunity to be part of something special. If you have any questions at all or would like to propose something outside of this document, please feel free to contact me.
